

# Say hello to a more rewarding career at Vivid

Vivid is currently seeking to fill three positions in Swan Hill. We are looking for self motivated, professional, enthusiastic and reliable candidates with the experience and skills to positively contribute to our organisation.

Remuneration is in accordance with the SCHADS award. Successful applicants will be required to meet our safety screening obligations which includes the return of a satisfactory police check.

## Team Leader, Vivid Living Swan Hill | Maternity Leave position, Full Time

- Reporting to Program Manager Swan Hill / Kerang;
- Responsible for coordinating Day Services and transport arrangements to supported persons supported by their team;
- Coordinate individual assessments; individualised planning; allocation of staff and volunteer resources; monitoring services provided; administrative duties, and ensuring outcomes for supported persons that meet their individual needs.
- Responsible for the daily supervision and mentoring of staff who directly provide services and be a key point of contact for supported persons, their families and volunteers.

## Tradesperson, Vivid Work Crew Swan Hill | Casual

- Work on different manufacturing contracts as part of a team with support workers and supported employees;
- Share your trade skills with your team as you complete orders including pallets for fruit export in large quantities, custom timber orders and more;
- Provide assistance to the support workers and supported employees to complete their contracts.

## Support Worker, Vivid Living Swan Hill & Kerang | Casual

- Support people to actively participate in daily routines within their home, activities within their community and programs and employment offered by Vivid;
- Deliver and supervise activities, programs and employment offered by Vivid in a range of settings which may include the person's home, community facilities or Vivid sites;
- Assist people and their support network to work toward achieving their goals as outlined in their current plan;
- Use an active support model to provide the appropriate level of assistance and training for people to continually learn and develop skills, successfully complete tasks, and maintain current skills.
