

Say hello to a more rewarding career at Vivid

Support Coordinator

- Based in Swan Hill or Kerang
- 5 days, 38 hours per week
- Access to salary packaging benefits

The Support Coordinator is responsible for:

- Collaborating with NDIS participants, their families and carers, assisting them to understand, implement, manage and review their NDIS Plans.
- Promoting the independence of persons living with a disability to achieve their life goals through establishing connections with service and service providers.
- Regularly monitoring and reviewing plans, recording and reporting outcomes to the Participant and NDIA within required timeframes.
- Facilitating NDIS participants, their families and carers to build capacity to manage their own NDIS plans and exercise choice and control over the supports they receive.

Candidates will be required to meet our vaccination requirements and safety screening obligations which includes the return of satisfactory screening checks.

Closing Date: Friday 5 August 2022

Applications should be lodged via our employment portal:
