SCHOOL LEAVER EMPLOYMENT SUPPORTS

SLES

WHAT ARE SCHOOL LEAVER EMPLOYMENT SUPPORTS (SLES)?

SLES, is an individually tailored, two year employment pathway, providing school leavers with on the job experience that aims to increase employability and develop a clear career direction.

SLES introduces participants to various businesses and industries. This provides a unique opportunity for Participants to understand various work skillsets that may be of interest to them.

SLES supports:

are tailored to the individual to your unique pathway to employment

focus on capacity building, developing skills, independence and confidence to work

assist you to explore and understand your work potential

are reviewed periodically to make sure the supports are meeting your goals

focus on trying and testing through work experience in a range of settings

YOUR SLES PATHWAY SUPPORTS WILL INCLUDE:

The supports develop 'hard and soft skills' and may include, but are not limited to:

- money management
- communication skills
- travel training
- rights in the workplace
- personal hygiene & presentation
- working independently
- teamwork
- resume preparation
- workplace expectations
- personal development
- planning & organising
- decision making & problem solving
- time management
- job ready skills
- computer literacy
- conflict resolution
- submitting a job application
- building resilience
- interview preparation
- preparing for your first day
- communication
- accountability & self motivation
- life skills

HOW YOUR SLES PATHWAY WILL WORK:

Your individual plan outlines strategies, supports and training in your SLES pathway.

Goals and support needs are identified and delivered through structured modules and learnings.

Progress notes, formal training and feedback will be provided on an ongoing basis.

Your progress & career goals will be reviewed and refined quarterly to support you on your pathway to employment.

Start your journey today from school to work.
