## Flood Advice

Monday 24 October 2022

### Services in Echuca

There has been no change to the services which are open. We are continuing to only operate Residential supports and essential services.

All Echuca sites remain closed.

Vivid is still providing support to people, in Echuca and surrounds, who are in need of support.

Please contact Meaghan Broom (0417 862 382) or Louise Bolton (0419 578 387) if you have any service enquiries.

### Resumption of services

We don't yet know when services will resume. This will, however, be under daily review and advice will be published on Facebook and Vivid's website immediately the decision is made to resume services.

There are a number of factors which will be taken into consideration when deciding to recommence services, including:

- The lifting of any applicable Evacuation Orders.
- Site safety such as the removal of sandbags and, for some sites, an electrician's inspection.

Stay safe.
