About Break Buddies

Get set for some great fun this Summer!

Break Buddies is a program offered in program breaks that allows you to access your community in organised activities and outings. You get to hang out with your friends, visit local attractions and have a load of fun at the same time!

Break Buddies can be included in your NDIS plan and activity fees are charged separately.

Outlined in this program are the activities we have in store for you.

On your selection form, tick which days you'd like to join in.

Key Info

Support charges will be based on the number of participants and support needs. Actual support ratios will be charged against your NDIS funding.
